Re: *American Oversight v. U.S. Dep't of Commerce et al.*, 19-cv-01301-TNM (D.D.C.): Treasury
August 28, 2019 Final Response to FOIA Request 2018-11-098

Mr. Evers:

This letter describes the results of the U.S. Department of the Treasury's (Treasury) search in one of the three FOIA requests at issue in the above-referenced Freedom of Information Act litigation. Treasury has completed its search in response to American Oversight's November 19, 2018 FOIA Request (2018-11-098).

Treasury has identified no responsive documents for this request. Treasury searched 11 custodians' email accounts and located 131 initial potentially responsive documents totaling 4,712 pages. After careful review of these documents, none were deemed responsive to this request. Further, a search of physical records was conducted and no responsive records were discovered.

This concludes Treasury's review and production for the FOIA request identified above. If you have any questions concerning this production or a related matter, please contact Assistant United States Attorney Jason Cohen at (202) 252-2523 or Jason.Cohen@usdoj.gov.

Sincerely,
